

GENERAL MAINTENANCE PERSON

We require a suitable person for a full time fixed term position within our maintenance division covering for a staff member on leave; this position will cover a wide variety of duties from vessel and engine maintenance, to building and grounds maintenance.

The following attributes would be ideal:

- Ability to work well within a team environment
- Ability to work unsupervised
- Ability to complete paper work and meet time frames
- Initiative
- Hard working
- Common sense
- Ability to work effectively under pressure
- Available for weekend and shift work
- Full drivers license

Any of the following experiences would be ideal:

- Diesel engines and maintenance
- HT license
- Certified tradesman
- Carpentry
- Electrical

If you believe that you can fill this position and wish to be part of a dynamic team then please apply in writing to Teri Sonal at teri@whalewatch.co.nz
